UNIVERSALITY PLACES (UNQUALIFIED ATHLETES)

- NOCs with no male or female qualified athlete or relay team will be allowed to enter their best male athlete and their best female athlete in one athletic event each, with the exception of the Combined Events, 10,000m and 3000m Steeplechase.
- This applies equally to unqualified female entries from an NOC with qualified males, and vice versa.
- Acceptance of unqualified entries in Field Events and Road Events will be at the discretion of the IAAF Technical Delegates, based on the technical standard of the athlete and the numbers of qualified athletes in the respective event. In order to allow the IAAF Technical Delegates to assess the technical level of such athletes, a specific application form indicating the event in which the entry is requested and the proof of the technical level and international participation of the nominated athlete must be submitted to the IAAF. The IAAF shall subsequently confirm, in writing to NOCs, with a copy to the Rio 2016 Sport Entries Department, the approval or otherwise of the entry of the specified athlete(s).
- The application forms of all unqualified athletes must be submitted by NOCs to the IAAF no later than 4 July 2016.

E. CONFIRMATION PROCESS FOR QUOTA PLACES

Following the end of the qualification period, IAAF shall assess the number of athletes having achieved the entry standard plus the approved unqualified athletes. In order to achieve the ideal number of entries by event, IAAF shall then determine the athletes to be invited through the IAAF World Ranking List in each event (except the 5000m, 10,000m and road events) and inform each NOC accordingly. The IAAF World Ranking List for each event shall be published on the IAAF website on 12 July 2016. NOCs shall enter all athletes to Rio 2016 by the entries deadline of 18 July 2016.

F. REALLOCATION OF UNUSED QUOTA PLACES

If an allocated individual quota place is declined by an NOC, the quota place will be reallocated to the next best ranked athlete in the same event according to the IAAF World Ranking List of 12 July 2016, respecting the maximum quota by NOC per event.

If an allocated team relay quota place is not confirmed by the NOC by the confirmation of quota place deadline or is declined by the NOC, the quota place will be reallocated to the NOC with a relay team which

QUALIFICATION SYSTEM – GAMES OF THE XXXI OLYMPIAD – RIO 2016

has recorded the next fastest aggregate time in the same event in accordance with the IAAF's criteria for the qualification of relay teams.

REALLOCATION OF UNUSED UNIVERSALITY PLACES

There will be no reallocation of Universality Places.

G. GENERAL PRINCIPLES REGARDING THE USE OF RESERVE AND P ALTERNATE ATHLETES

RESERVE ATHLETES

Reserve athletes are competing athletes who have an Aa accreditation and who are entered by their NOC in a specific event where they have qualified. As reserve, they may be selected to replace another entered athlete in a different event until the time of the final confirmation for that event provided they have achieved the entry standard and that the NOC quota for that event is respected.

Reserve athletes must comply with the same eligibility rules as competing athletes as described in above paragraph **C. Athlete Eligibility**.

P ALTERNATE ATHLETES

P alternate athletes are non-competing athletes, and are not included within the athletes quota as described in paragraph **B. Athletes Quota**.

Alternate athletes must comply with the same eligibility rules as competing athletes as described in above paragraph **C. Athlete Eligibility**.

More detailed information about entitlements and quotas can be found in the '*Accreditation at the Olympic Games – Users Guide*'. P alternate athletes can only become competing athletes as per the conditions outlined in the '*IOC/Rio 2016 Late Athlete Replacement policy*'.

Quota:

If an NOC has entered three (3) athletes in one event, they are entitled to one (1) P alternate athlete for the same event provided he/she has achieved the entry standard.
