The Pan American Continental Qualification Event will be the Pan-American Games in Toronto in 2015. As this event is held prior to the World Championships in Canoe Slalom, the results will be used to calculate the Continental quota places on completion of the 2015 ICF Canoe Slalom World Championships.

In the event that a Continental Qualification Event cannot be held and/or the results of such competition are cancelled due to natural causes (e.g. bad weather), then the ICF Ranking of 1 June 2016 will be used to determine quota places.

The athlete ranked highest from that Continent in the ICF Ranking will achieve one (1) athlete quota place for his/her NOC. Should the NOC decline the place it would be offered to the next best ranked NOC, not yet qualified in that event on the ICF Ranking list and so forth until all places are filled.

For all Canoe Slalom Qualifying Events where a tie between two (2) or more athletes by time occurs then the results from previous rounds will be used to break the tie, in accordance with ICF Canoe Slalom Competition Rule 35. The best ranked athlete will earn their NOC an athlete quota place.

### HOST COUNTRY PLACES

Should the Host NOC not manage to obtain an athlete quota place in each event at either the 2015 ICF Canoe Slalom World Championships or the 2015 Pan American Games, it will be entitled to receive one (1) boat quota place and the respective number of athlete quota places as per the table below:

Events	Athlete Quota Places	Boat Quota Places

On 15 October 2015, the International Olympic Committee will invite all eligible NOCs to submit their requests for Tripartite Commission Invitation Places. The deadline for NOCs to submit their requests is 15 January 2016. The Tripartite Commission will confirm, in writing, the allocation of invitation places to the relevant NOCs after the end of the qualification period for the concerned sport.

### E. CONFIRMATION PROCESS FOR QUOTA PLACES

Within two (2) weeks following each qualification event, the ICF will publish the results on its website ([www.canoeicf.com](http://www.canoeicf.com)) and in Paddleaway (the ICF internal newsletter) and inform the respective NOCs/NFs of their allocated quota places. The NOCs will then have 10 working days to confirm if they wish to use these quota places.

### F. REALLOCATION OF UNUSED QUOTA PLACES

i) Should an NOC decline an athlete quota place that has been gained at the 2015 Canoe Slalom World Championships then the next best ranked NOC, not yet qualified, in that event will be allocated the athlete quota place. This process will be repeated until all places are allocated.

ii) Should an NOC decline an athlete quota place from a Continental Qualification Event the next best ranked NOC not yet qualified in that event at the respective Continental Qualification Event will be allocated the athlete quota place. The process will be repeated until all places are allocated.

iii) In the case where there are no more eligible NOCs that can gain an athlete quota place in the Continental Qualification Event, the next best ranked NOC, not yet qualified, from that continent in the specific event at the 2015 Canoe Slalom World Championships will be allocated the quota place. In the case that no further NOC from the continent can gain a place from the 2015 Canoe Slalom World Championships the athlete quota place will be given to the next best ranked NOC not yet qualified in that event from the 2015 World Championships, regardless of continental representation.

## QUALIFICATION SYSTEM – GAMES OF THE XXXI OLYMPIAD – RIO 2016

In the event that quota places are not filled from the procedures outlined above, the ICF Executive Committee will allocate the remaining quota to the next best ranked NOC not yet qualified in the sport of Canoe at the Olympic Games using the ICF Ranking of 01 June 2016.

### REALLOCATION OF UNUSED HOST COUNTRY PLACES

If the Host Country qualifies athlete quota places at the 2015 ICF Canoe Slalom World Championships, the unused Host Country Places will be reallocated to the next best ranked NOC, not yet qualified, in the same event from the 2015 Canoe Slalom World Championships.

If the Host Country qualifies athlete quota places at the 2015 Pan American Games, the unused Host Country Places will be reallocated to the next best ranked NOC, not yet qualified, in the same event from the 2015 Pan American Games.
